Proposed Commercial Food Waste Recycling Rates for TCSD/Mid-State Solid Waste and Recycling

North County Recycling tipping fee - \$45/ton – same as Chicago Landfill for Franchised Compacted Waste (use existing refuse charge as base charge)

Proposed rates assume 10 minutes additional time per pickup for bin washout/cleaning – charged at existing labor rate of \$67.67/hr. (\$11.28 per pick-up)

New water tight bins with locking lids to be provided

Rates to be indexed to CPI

Proposed Rates

Service	Monthly Charge
1.5 yd bin – 1x per week	\$148.31
1.5 yd bin – 2x per week	\$282.78
2 yd bin = 1x per week	\$161.77
2 yd bin = 2x per week	\$310.00

Customers who do not require bin service may opt to have food waste collected weekly in a green waste cart to be picked up curbside. Those customers will be charged the additional green waste cart rate, which is currently \$5.25 per month.
