  - SLO County District One Supervisor- Debbie Arnold
  - SLO County Planning Department- Sheryl Ku (Nothing to report)
  - TCSD, Geoff English- (reported on Board actions of the 7-6-21 TCSD meeting)
  
- The TAAG Community Outreach and Public Relations Committee presented a recommendation to consider expansion of the TAAG boundaries beyond the current boundaries which mirror the Templeton Unified School District boundaries to include a few adjacent, but unrepresented areas. The TAAG Board unanimously agreed to consider the proposed expansion at a future meeting.
  
- TAAG and community feedback was provided to a commercial project planning consultant firm in advance of formal submittal. The project is proposed for an approximately four (4) acre lot on Las Tables across from the Chevron station, including removal of three existing homes. The conceptual project includes a small market, gas station, car wash and other possible businesses. No action was taken.
  
- The TAAG Board unanimously approved a draft letter to the State Water Board formally objecting to applications for water diversion from Lake Santa Margarita and Lake Nacimiento submitted by the Shandon-San Juan Water District.
  
- There was Board consensus to continue meeting on Zoom until the TCSD Board Room audio video renovations are completed.
  
- Next Regular Meeting: August 19, 2021 at 5:30pm
