

**TEMPLETON CSD**  
**Water Resource Advisory Committee (WRAC)**  
Summary Meeting Notes

**Date:** Wednesday, January 5, 2022, at 1:30 p.m. (via GoTo Meeting)

**AGENDA ITEMS**

1. **Remote Meetings** - Committee approved Resolution 2022-001 to continue to enable remote meetings under AB361.
2. **Approve of Meeting Minutes** - Committee approved the October 6, 2021 meeting minutes, which are available via the link provided below.
3. **WRAC Subcommittee** - Staff update provided regarding State Water Project Water Management Tools and associated WRAC Subcommittee. A stakeholder draft of the Water Management Tools (WMT) Study is available for public comment via the link below under the agenda item #4. The next online stakeholder meeting is scheduled for January 12, 2022.
4. **Master Water Report** - Staff presentation regarding the goals and scope of work. RFP currently out. No action taken. A copy of the presentation is available via the link below under Item 5 of the Master Water Report Update.
5. **Ongoing Updates**
  - a. **Rain & Reservoir Report** - no comment
  - b. **California Drought Monitor Summary** - no comment
  - c. **Groundwater Basin Management Efforts** - On December 18, 2019, the California Department of Water Resources (DWR) released the final Sustainable Groundwater Management Act (SGMA) 2019 Prioritization that designates each groundwater basin and sub-basin (collectively, basins) as high, medium, low or very low priority. Groundwater sustainability agencies (GSAs) are required to develop and implement groundwater sustainability plans (GSPs) for each high or medium priority basin. The quarterly financial update for SGMA went to the Board on December 14, 2021. The report can be accessed at <https://agenda.slocounty.ca.gov/ip/sanluisobispo/agendaitem/details/14052>
  - d. **Integrated Regional Water Management (IRWM)** - Draft guidelines to be reviewed on January 19, 2022.
  - e. **Stormwater Resource Plan (SWRP)** - Tabled for now until there's another State grant opportunity.
  - f. **Various County Water Programs, Policies, and Ordinances**
  - g. **Open Reporting on Water Conservation Opportunities & Information**
