Lawn & Irrigation Rebate Program

Save money AND water through Templeton's Lawn and Irrigation Rebate Program! As half of our water is used in landscaping, transforming lawns and irrigation systems encourages significant reductions in water use. Go to www.slowaterwiselandscaping.com to find the best options for your yard.

Eligibility and Requirements

To qualify for a rebate, the applicant must:

- Submit a completed application form.
- Be in good standing with the District's water account.
- Participate in pre- and post-conversion site visits, including photographs.
- Convert yard in accordance with the requirements of the buyback program.
- Properties are eligible for no more than one rebate.
- Rebates are limited to \$1,200 per property.
- Project must be completed within 120 days from application.
