

Recycling Grants Program

2022 INFORMATION SHEET

*Interested in greening-up your business but lacking the funds to do so?
Templeton's Recycling Grants Program may be perfect for you and your business.
Applications will be and accepted until May 20, 2022.*

- Purpose:** The Templeton Community Services District is now accepting proposals for programs/projects that can establish and/or promote recycling in our local community.
- Eligibility:** Commercial businesses, schools, and Non-Profit organizations within the boundaries of Templeton Community Services District are eligible to apply. Programs must be related to recycling. Applicants may be ineligible if the business has missed deadlines of previous grant projects.
- Examples:** Some examples of appropriate projects included source reduction and reuse programs, education/awareness programs, and composting programs. We are particularly interested in applications with a desire to eliminate Styrofoam products.
- Application Process, Deadlines, & Timeline:** Applications are available at www.templetoncsd.org and will be available until May 2022. Applications must be submitted by Friday, May 20, 2022. Please complete the application in full. Partial applications will be disqualified. Announcements of grant winners will be in early June 2022 and projects may begin immediately after awards are distributed.
- Grant Recipients:** Upon being chosen as a grant recipient, you will receive a copy of the General Grant Agreement and Grantee Reporting Guidelines. The Grant Agreement will contain information regarding the terms and conditions of the grant. The Grantee Reporting Guidelines will refer to the reporting requirements, which include a narrative, financial report, photos, etc.
- Submissions:** Please submit applications to: Templeton Recreation Department
Attn: Recycling Grants Program
599 S. Main Street
Templeton, CA 93465
- Questions:** Please direct any questions to Melissa Johnson at (805) 434-4909 or mjohnson@templetoncsd.org.
